

## The Energy Agency Conference - Programme

Thursday 10th of December

- 8.30 - 9.00**            **REGISTRATION** (including coffee and bun)
- 9.00 - 9.10**            **Welcome**  
*Anders Rubin, Local Government Commissioner, City of Malmö*
- 9.10 - 9.20**            **Introduction**  
*Jon Andersson, President, Association of Swedish Regional Energy Agencies*
- 9.20 - 10.00**        **EU climate and energy package, 20-20-20**  
The EU has come up with a new set of climate and energy targets. Why were these targets chosen, how were they processed and what do they mean in reality? What are the challenges lying ahead?  
*Anders Wijkman, Tällberg Foundation, former member of the European Parliament*
- 10.00 - 10.40**        **European energy agencies, the IEE programme and the evolving energy landscape.**  
European energy agencies are efficient partners to help local communities with the challenge of implementing the 20-20-20 objectives. In a fast-moving agenda, the EU is supporting the projects of local and regional actors.  
*Damien Cocard, Project Officer, Executive Agency for Competitiveness & Innovation*
- 10.40 - 11.00**        **Coffee break**
- 11.00 - 11.30**        **An Eco effective future in Europe**  
The European Union's climate and energy package is expected to lead to several new work opportunities and increase GDP within the union. What are the thoughts of the Swedish Ministry of Enterprise, current EU presidency country, on these matters? Is there a master plan to be launched to reach these goals?  
*Anna Törner, Swedish Ministry of Enterprise, Energy and Communications*
- 11.30 - 12.40**        **Local and regional examples**  
Invited energy actors present their working strategies and give their view of future challenges:
- Climate change - threat or opportunity for West Sweden SMEs**  
*David Hagetoft, West Sweden Chamber of Commerce and Industry*
- 11.45 The role of Innovatum in the transition to a sustainable society**  
*Tore Helmersson, Vice President, Innovatum*
- 12.00 Manchester is my Planet, a UK Case study**  
*Keith Boxer, Director, Innovation & Sustainability, White International*
- 12.20 Energy Efficiency Policy in Bulgaria**  
*Snezhana Todorova, Director, Bulgarian Energy Efficiency Agency*

12.40 - 13.40

**LUNCH**

13.40 - 14.10

**From targets to real action**

Setting ambitious targets is one thing, reaching them and accomplish real time measures is another. What are the thoughts on the topic of FEDARENE, the premiere European network of regional and local organizations which implement, co-ordinate and facilitate energy and environmental policies.

*Catrin Maby, Vice President Awareness & Education, FEDARENE*

14.10 - 14.30

**Live report from UN COP15 conference**

14.30 - 17.00

**Workshop - What do possible future energy scenarios look like and what could future work areas for European Energy Agencies be?**

Kairos Future is a leading international research- and consultant company in their field, helping business and organizations to understand and shape the future. Kairos Future will support us in exercises dealing with issues such as analyzes, strategy building and preparation for future work areas. Including coffee break.

*Fredrik Claesson, Senior Consultant and Future Strategist, Kairos Future*

17.00 - 17.30

**Sum up**

What have we learned during the day? What are the key issues? What will be the next step?

*The Association of Swedish Regional Energy Agencies*
